

FROM UTAHOPIA OBSERVATORY

A different perspective. An extraordinary space.

Original astrophotography for interior designers,
art consultants and remarkable spaces.

THE ROSETTE NEBULA

The Rosette Nebula

A luminous cloud opens around a cluster of stars. The Rosette brings an expansive, sculptural composition into the collection.

[EXPLORE THE IMAGE & ITS STORY](#)

Andromeda

An expansive mosaic of our neighboring galaxy. A luminous center, delicate dust lanes, and a sweeping field of stars create a quietly commanding image.

[EXPLORE THE IMAGE & ITS STORY](#)

Horsehead & Flame

Dark interstellar dust meets luminous clouds and brilliant starlight. A rich, dramatic composition with red, gold, and deep blue tones.

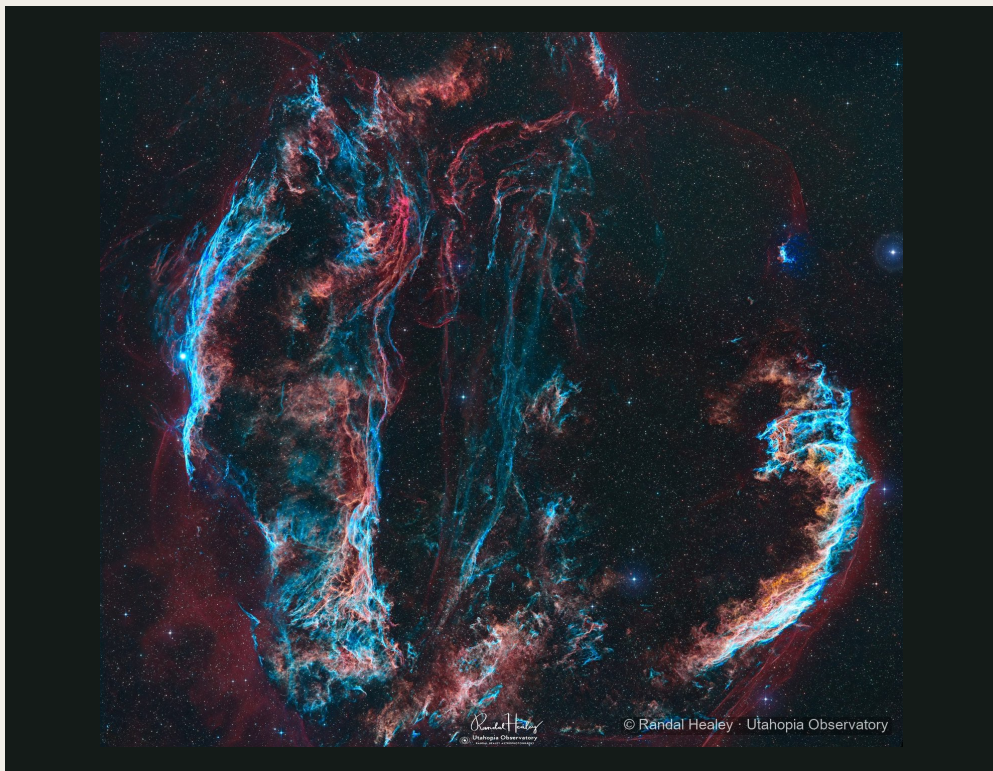

[EXPLORE THE IMAGE & ITS STORY](#)

The Iris Nebula

A jewel-like blue nebula emerges from a surrounding field of dark dust. A contemplative image with depth, texture, and a restrained sense of drama.

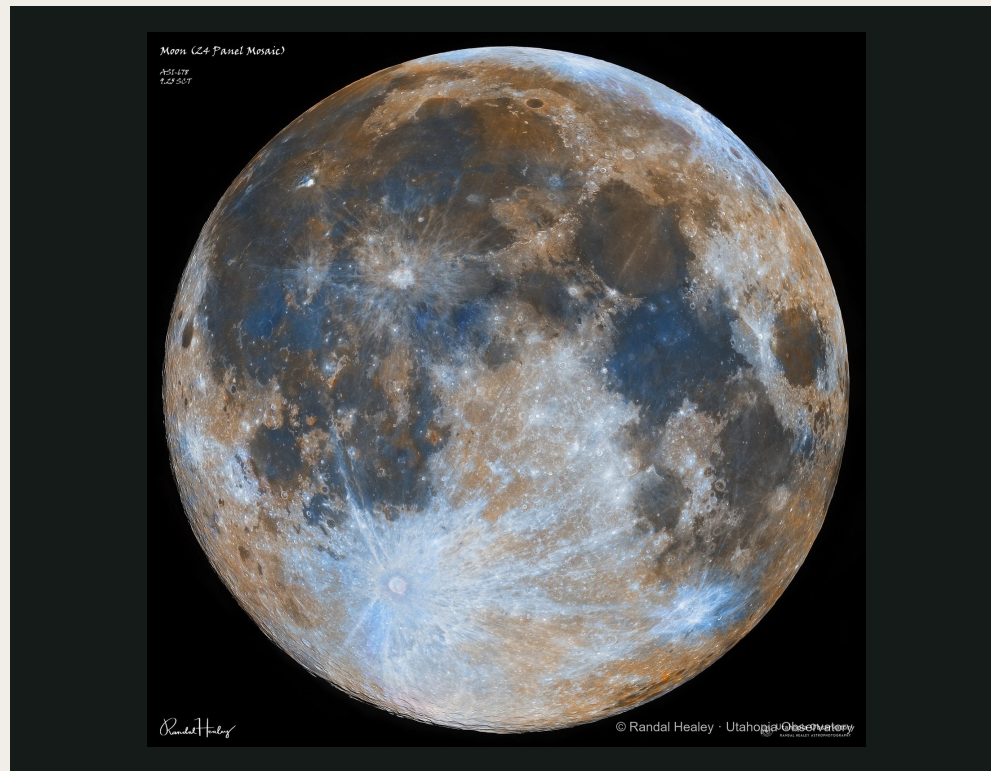

[EXPLORE THE IMAGE & ITS STORY](#)

The Cygnus Loop

Fine celestial filaments unfold across a broad star field. A layered composition whose intricate details reward a closer look.

[EXPLORE THE IMAGE & ITS STORY](#)

The Moon

A detailed lunar mosaic reveals the texture of a familiar world. Craters and plains become a graphic study in light, form, and shadow.

Choose the presence. Then the finish.

FROM \$79

Photo print

Unframed photographic prints for your own framing scheme.

FROM \$158

Framed print

A finished presentation for private interiors and coordinated collections.

FROM \$249

Metal print

A contemporary finish, with mounting options confirmed for the selected size.

FROM \$329

Canvas

A gallery-wrap presentation with a softer material presence.

Bay Photo produces physical prints and ships directly to the customer. Starting prices are website retail prices for 8 x 12-inch formats, checked October 16, 2026. Shipping, tax, upgrades and custom requirements are quoted separately.

Image proportions, cropping and final print suitability are confirmed from the master file. Trade and multi-piece pricing is quoted individually. Installation, full-wall applications and licensing require a separate agreement.

ONE WALL. OR A WHOLE NEW PROJECT.

Start with your space.

AI-created architectural concept, not a completed client installation. Full-wall projects require confirmation of resolution, materials and installation.
